Family: Married, 2 kids

Location: Madrid

Character: Sympathetic

Personality

Frustrations

- When people don't respect rules
- Lying
- Incomplete/Incorrect information in the internet
- Paperwork
- Giving up soon

Bio

He tries his best to find useful information to teach to students. He believes that the main source of problems in medical diagnosis is the bad education at university. He likes to support and encourage students for taking responsibility. He loves his family and spend all his weekend time with them, but on weekdays he spend most of his free time on the internet to find new information for keeping his lecture materials up-to-date.
